

A Closer Look at the Study Area

It includes US-75 interchanges with N-370, Cornhusker Road, Chandler Road, Q Street, L Street, and F Street.

It does not include the I-80/I-480/US-75 interchange at the north end of the study area.

This study focuses on about **seven miles of US-75** from just south of N-370 to I-80.
